

Many Catholics are in need
of healing, due to
divorce or separation...

Surviving Divorce is a ministry of **Hope and Healing**

There are few topics more challenging in the Church today than divorce. Not only is the reality of divorce incredibly painful for those involved, but few seem to understand what the Catholic Church teaches on the topic.

As a result, *many* stop attending Mass or leave the faith altogether.

Whether they experienced divorce weeks ago or years ago, they often feel rejection and shame. Many also fear being judged by their communities.

Surviving Divorce is a proven program of hope and healing. It offers answers and guidance to the many issues surrounding divorce, annulments, remarriage, parenting, and more. It brings the divorced through emotional healing, the power of forgiveness, and into a more vibrant relationship with Christ and the Church.
