

## Medicare Part D Creditable Coverage Notice

### **Important Notice from CatholicCare About Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with CatholicCare (the “Plan Sponsor”) and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

- (1) Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- (2) The Plan Sponsor has determined that the prescription drug coverage offered by the CatholicCare is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Plan Sponsor coverage may be affected. Moreover, if you do decide to join a Medicare drug plan and drop your current Plan Sponsor coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact the person listed at the end of this notice for more information about what happens to your coverage if you enroll in a Medicare Part D prescription Drug Plan.

## **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with the Plan Sponsor and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## **For More Information about This Notice or Your Current Prescription Drug Coverage...**

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the Plan Sponsor changes. You also may request a copy of this notice at any time.

## **For More Information about Your Options under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov) or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## CHIPRA/CHIP Notice

### Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –**

## General Notice of Continuation of Coverage Rights

**Note:** CatholicCare is intended to be a “church plan” as defined in Code Section 414(e) and Section 3(33) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). CatholicCare is not subject to Title I of ERISA, including Part 6 of Title I which provides for continuation of health care coverage upon the occurrence of certain events. To the extent that any of the continuation of coverage provisions described in this notice are identical to the requirements of Part 6 of ERISA Title I, the inclusion of such provisions reflects the unilateral decision of CatholicCare to do so. CatholicCare reserves the right to modify the continuation of coverage provisions of the Plan in the future, as long as the provisions so modified meet the requirements of other applicable law.

### The Continuation of Coverage Administrator for this Plan is: UMR

This summary generally explains Continuation of Coverage, when it may become available to You and Your covered Dependents, and what You and Your covered Dependents need to do to protect the right to receive it. When You become eligible for Continuation of Coverage, You may also become eligible for other coverage options that may cost less than Continuation of Coverage. This section provides a general notice of a Covered Person’s rights under Continuation of Coverage. The CatholicCare Administrator or the Continuation of Coverage Administrator will provide additional information to You or Your covered Dependents as required.

You may have other options available to You when You lose group health coverage. For example, You may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, You may qualify for lower costs on Your monthly premiums and lower out-of-pocket costs.

Additionally, You may qualify for a 30-day special enrollment period for another group health plan for which You are eligible (such as a spouse’s plan), even if that plan generally does not accept Late Enrollees.

### What is Continuation of Coverage?

Continuation of Coverage is a continuation of CatholicCare coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are

listed later in this notice. After a qualifying event, Continuation of Coverage may be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under CatholicCare is lost because of the qualifying event. Under CatholicCare, qualified beneficiaries who elect Continuation of Coverage must pay for Continuation of Coverage.

If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under CatholicCare because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

### When is Continuation of Coverage available?

The Plan will offer Continuation of Coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying

event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- The employee is becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify CatholicCare within 30 days after the qualifying event occurs. You must provide this notice to:

**CATHOLICCARE,  
523 N DULTUH AVE,  
SIOUX FALLS, SD 57104**

### **How is Continuation of Coverage provided?**

Once CatholicCare receives notice that a qualifying event has occurred, Continuation of Coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect Continuation of Coverage. Covered employees may elect Continuation of Coverage on behalf of their spouses, and parents may elect Continuation of Coverage on behalf of their children.

Continuation of Coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of Continuation of Coverage can be extended:

- Disability extension of 18-month period of Continuation of Coverage - If you or anyone in your family covered under CatholicCare is determined by Social Security to be disabled and you CatholicCare in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of Continuation of Coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of Continuation of Coverage and must last at least until the end of the 18-month period of Continuation of Coverage.
- Second qualifying event extension of 18-month period of continuation coverage - If your family experiences another qualifying

event during the 18 months of Continuation of Coverage, the spouse and dependent children in your family can get up to 18 additional months of Continuation of Coverage, for a maximum of 36 months, if CatholicCare is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting Continuation of Coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under CatholicCare as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under CatholicCare had the first qualifying event not occurred.

### **Are there other coverage options besides Continuation of Coverage?**

Yes. Instead of enrolling in Continuation of Coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than Continuation of Coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

### **Can I enroll in Medicare instead of Continuation of Coverage after my group health plan coverage ends?**

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period<sup>1</sup> to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect Continuation of Coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect Continuation of Coverage and later enroll in Medicare Part A or B before the Continuation of Coverage ends, the Plan may terminate your

continuation coverage. However, if Medicare Part A or B is effective on or before the date of the Continuation of Coverage election, Continuation of Coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of Continuation of Coverage.

If you are enrolled in both Continuation of Coverage and Medicare, Medicare will generally pay first (primary payer) and Continuation of Coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

## **Notice of Marketplace Coverage Options**

### **PART A: General Information**

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

#### **What is the Health Insurance Marketplace?**

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins November 1, 2023 for coverage starting January 1, 2024.

#### **Can I Save Money on my Health Insurance Premiums in the Marketplace?**

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### **Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?**

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax

credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% (as adjusted annually) of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Twila Roman at (605)988-3741.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to some employees. Eligible employees are any employee working 1,040 hours or more in a year.
- With respect to dependents, we do offer coverage. Eligible dependents include a spouse and/or any child under the age of 26.

- This coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

5. Employer address, 7. City, 8. State, 9. Zip Code 523 N DULUTH AVE, SIOUX FALLS SD 57104	6. Employer phone number (605)334-9861
10. Who can we contact about employee health coverage at this job? TWILA ROMAN, DIRECTOR OF HUMAN RESOURCES

*Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.*

## Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment no later than 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment no later than 30 days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009, if either of the following two events occur, you will have 60 days after the date of the event to request enrollment in your employer's plan:

- Your dependents lose Medicaid or CHIP coverage because they are no longer eligible.
- Your dependents become eligible for a state's premium assistance program.

To take advantage of special enrollment rights, you must experience a qualifying event *and* provide the employer plan with timely notice of the event and your enrollment request.

To request special enrollment or obtain more information, contact Twila Roman, Director of Human Resources at (605)988-3741.

## Michelle's Law Notice

*Note: Pursuant to Michelle's Law, you are being provided with the following notice because the CatholicCare group health plan provides dependent coverage beyond age 26 and bases eligibility for such dependent coverage on student status. Please review the following information with respect to your dependent child's rights under the plan in the event student status is lost.*

When a dependent child loses student status for purposes of CatholicCare group health plan coverage as a result of a medically necessary leave of absence from a post-secondary educational institution, the CatholicCare group health plan will continue to provide coverage during the leave of absence for up to one year, or until coverage would otherwise terminate under the CatholicCare group health plan, whichever is earlier.

In order to be eligible to continue coverage as a dependent during such leave of absence:

- The CatholicCare group health plan must receive written certification by a treating physician of the dependent child which states that the child is suffering from a serious illness or injury and that the leave of absence (or other change of enrollment) is medically necessary; and
- The dependent was enrolled in the plan immediately prior to the first day of the medically necessary leave of absence.

To obtain additional information, please contact: Twila Roman, Director of Human Resources at (605)988-3741.
