## Sacramental Lookup

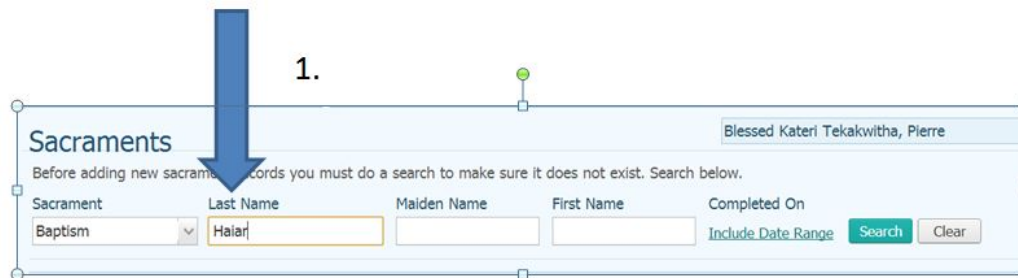

**Sacramental record lookup is independent of the Member lookup in the ConnectNow (CN) Family Suite.**

CN Family Suite processes sacramental records independently of the Member record. This can result in a quicker lookup of a sacramental record with fewer clicks. Trick is knowing how best to use the search screen.

1. Click on Family Directory
2. Click on Sacraments

1. Enter the last name of the Baptismal Certificate you are searching for.
2. Click on Search.

Note: On screen entry, you may press enter after you type in the name and it will lookup Baptisms for this last name. However, for best results, click on the Search button.

Blessed Kateri Tekakwithia, Pierre

## Sacraments

Before adding new sacrament records you must do a search to make sure it does not exist. Search below.

Sacrament:  Last Name:  Maiden Name:  First Name:  Completed On:

Include Date Range

1. Select a different Sacrament such as First Eucharist. Changing the Sacrament causes the program to appear as if it is reloading. However, it is NOT looking up the sacraments for this Last Name.
2. You need to click Search to yield results.
