Cancellation Policy – Please be aware of our policies regarding cancellations as follows: It sometimes becomes necessary for us to cancel a scheduled event due to low numbers, weather, or other extenuating circumstances. Please note that every attempt possible will be made to notify you of this cancellation. If we do cancel an event, all fees will be fully reimbursed. Due to overwhelming demand and the need for advance planning, we require a definite commitment from participants. Therefore, all payments are nonrefundable. Failure to pay by the requested date will result in a forfeiture of your spots so we can accommodate those on a waiting list. Please be aware that these policies are in place so that we may be as fair as possible to all groups and so that we may prepare adequately for the participants who are able to attend.

- Q) *Why do you only allow 8 new participants from each parish?*
A) There are a couple of reasons. Because of our facilities and the way the program is set-up, we limit our spots to 40 new searchers. One reason is that we want all parishes to have a chance to have people attend the retreat. Another reason is that we have small groups on the weekend. We have found that having new searchers from the same parish in the same small group is typically not as effective as splitting them into different groups. There are exceptions to this rule. For example, if a weekend is not filled one week before the retreat, extra people from a parish may be let on if there are enough small groups. We do send letters out to those who are on a waiting list and will contact them with more information if this occurs. If 8 or more students come from 1 parish, it will be mandatory that the parish send an adult to participate on the weekend and must have safe environment training completed.
